Jamaat-e-Islami, an Islamist political group, has called for a nationwide dawn-to-dusk hartal on Wednesday, August 31st in reaction to the death sentence announced today of one of its leaders. “Dawn-to-dusk” hartals almost always begin at 6:00 a.m. on the day they are called and generally end at 6:00 p.m. on the same day. However, hartal organizers and supporters will often begin their protests the night before a hartal is scheduled to commence. Due to this, extra caution and vigilance should begin tonight at 6:00 PM and should continue until 6:00 PM on Monday.

A hartal is a mass protest and recognized political method for articulating a political demand. Extra caution and vigilance should be taken to avoid large crowds and protests. As always, be aware of your surroundings at all times.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations.
