

2018-2019 Hubert H. Humphrey Fellowship Announcement

The Public Affairs Section of U. S. Embassy is pleased to announce the annual competition for the Hubert H. Humphrey Fellowship Program. This one-year Fellowship program is offered to young and mid-career professionals who have a proven track record of leadership, a public service commitment, and the capacity to take full advantage of a self-defined program of independent non-degree study at a leading U.S. university. The program is not designed to deliver an advanced degree.

The Hubert H. Humphrey Fellowship Program brings accomplished professionals from countries around the world to the United States at a midpoint in their careers for a year of graduate level academic course work and professional development activities. The Humphrey Program was initiated in 1978 to honor the memory and accomplishments of the late Senator and Vice President, Hubert H. Humphrey.

Fellows are selected on their potential for leadership and commitment to public service. The program provides a basis for establishing lasting ties between citizens of the United States and their professional counterparts in other countries, fostering an exchange of knowledge and mutual understanding throughout the world. Fellowships are granted competitively to professional candidates with a commitment to public service in either the public or private sector.
