Questionnaire (use additional page if necessary)

Why do you want to apply for the YES program (other than the purpose of improving your English)?
Write around one paragraph.

Do not put the purpose of learning and improving your English language skills in the content of your write-up.

What aspect of Bangladeshi culture (Language, Cuisine, Clothing, Language, Religion, etc) do you wish to share with your American family and how?

Write about a couple paragraphs and specifically mention how you will share your culture.

Write about the specific cultural aspects that you want to share and how.

Community service (Social Service) is a very important part of the program. Either write about your experience participating/organizing a community service project in the past OR if you have the opportunity, how will you bring a specific positive change in your community through community service?

Write about a couple paragraphs and specifically mention either your role in the past event or a specific plan for the future event.

Do not write both the past and future community services (Social Service). Choose one, either about the past or the future, and then write only about that topic.

Have you ever visited a psychologist or a psychiatrist? Yes No

Please let us know if you have ever consulted with a psychologist or a psychiatrist in the past. Your answer will not affect your application.
