Solicitation No. PR11014859

Scope of Work (SOW) for MYLAR Installation Project

**Background:** U.S. Embassy Dhaka would like to install Mylar Film on the interior surfaces of window glasses of its different facilities. Mylar film is made of polyethylene terephthalate which will be provided by U.S. Embassy Dhaka. To install this film, Embassy requires only expert and experienced service staffs with necessary equipment from the different suppliers who are acquainted with this type of work.

**Objectives:** The primary objective of this Mylar Film Installation project is to secure the glass doors and windows to prevent any harm resulting from broken pieces in cases of any unexpected or unwanted situation. To ensure the safety & security for the occupants of the residences, there are other deliverables associated with the successful installation:

- Removing the existing polyethylene glass covering from the surface of the window glass
- Cleaning the glass in the way that no sand, adhesive, dust particles should be visible or remain before installation.
- Installing the embassy provided Mylar film on the interior surface of the window.
- After installation, no sand, dust, particles & bubbles should be visible or remain on the glass.

**Embassy Technical Monitor (ETM):** Embassy’s Security Technicians will be the technical evaluator of the successful installation of the Mylar Installation Project. They will also provide the technical guidelines & support to the staffs of the selected service providers for making the project successful.
**Glass Surface Preparation:** Proper surface cleaning is the key to getting good result of this installation project. To prepare the surface properly, Embassy recommends giving the highest importance on cleaning the glass. The surface of the glass must be cleaned smoothly so that it remains dry, undamaged, and free of any particles of dust. All loose paints, adhesive, old glass covering should be removed properly from the surface of the glass with the help of water & shampoo. **No cleaning chemicals are permitted to use unless authorized by the Embassy POC of the project.** Service provider shall bring and use their own shampoo & other equipment necessary for cleaning and installing the Mylar Film on the glass surface.

**Note to Vendor:**

1. The Mylar Film Installation Project will be started from the day after the Work Order is awarded.
2. The quantity of the required service will be measured by square feet. Approximate square feet available for installation and cleaning are up to maximum 105,200 (all together) assuming that each residence will have 400 to 1800 square feet window surfaces in about 86 residences. Quantity may vary depending on the size of the residences. Service providers are expected to submit their price offer in per square feet.
3. Service providers are responsible for measuring the manpower needed to complete the installation work within 5 days starting from the commencement day of the work to remove, clean & install the Mylar Film at the assigned resident. The work must be completed within the stipulated time from 8:30 am to 4:00 pm every day. Embassy will be very much strict to meet the deadline for completing a projected work within 5 days. In a nutshell, once service providers start Mylar installation in one apartment, they need to complete it within 5 consecutive days.
4. The validity of the price offer should be one year from the date of submitting the quotation.
5. Embassy may select multiple suppliers to complete the Installation Project considering the complexity & volume of the work and the timeline for completing the projects.
6. Any glass which is bubble free, adhesive free, dust particles free & sand free would be the example of the successful work. If any supplier fails to do the successful work, Embassy will reserve the right to ask the supplier to re-do the work without any additional cost to comply with the standard of the successful work.
7. A Purchase Order will be awarded to the supplier with the cost of approximate Square Feet for a specific time frame. Vendor will submit the invoice on the actual work completion basis. The total cost must not exceed the amount mentioned in the PO. If the invoice amount exceeds the awarded order amount, it will be considered as Unauthorized Commitment. Embassy POC & Vendor will be responsible for avoiding such Unauthorized Commitment. Proper coordination will be required in between the Embassy POC and the Service Provider.
8. Payment against any invoice will be cleared within 30 days after submitting the invoice.
9. While coming to the Embassy Facilities, Installation Supplier’s Staff must bring his/her photo identification card (National ID card or valid Passport). Also, the Staff must follow all rules of the embassy while inside the embassy Facilities.
10. All information related to Embassy’s facility, guidelines and other process mentioned in the order should be considered as Highly Confidential and must not be disclosed to other external parties.
Estimated Timeline of project completion: TBD

Vendor Selection Criteria:

1. Embassy will invite the potential suppliers to participate in a demonstration session of Mylar Installation Work. The supplier who will meet the standard of the successful work, will be considered for final award based on the offered rate and demonstration result.
2. After receiving the competitive quote from different suppliers, Embassy may award the multiple suppliers considering the complexity & volume of the work and the timeline for completing the projects.

[Contracting Officer check as appropriate.]

(9) **52.226-6**, Promoting Excess Food Donation to Nonprofit Organizations (Jun 2020) (**42 U.S.C. 1792**).

(d) **Comptroller General Examination of Record.** The Contractor shall comply with the provisions of this paragraph (d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, as defined in FAR **2.101**, on the date of award of this contract, and does not contain the clause at **52.215-2**, Audit and Records-Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor’s directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR **subpart 4.7**, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e)

(1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c), and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph (e)(1) in a subcontract for commercial items. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause-

(2) While not required, the Contractor may include in its subcontracts for commercial items a minimal number of additional clauses necessary to satisfy its contractual obligations.

(End of clause)

52.204-24 REPRESENTATION REGARDING CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT (Aug 2020)

The Offeror shall not complete the representation at paragraph (d)(1) of this provision if the Offeror has represented that it “does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument” in the provision at [52.204-26](2), Covered Telecommunications Equipment or Services—Representation, or in paragraph (v) of the provision at [52.212-3](a), Offeror Representations and Certifications-Commercial Items.

(a) Definitions. As used in this provision—

Backhaul, covered telecommunications equipment or services, critical technology,
interconnection arrangements, reasonable inquiry, roaming, and substantial or essential component have the meanings provided in the clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) **Prohibition.**

(1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Nothing in the prohibition shall be construed to—

   (i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

   (ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract or extending or renewing a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract. Nothing in the prohibition shall be construed to—

   (i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

   (ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(c) **Procedures.** The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (https://www.sam.gov) for entities excluded from receiving federal awards for “covered telecommunications equipment or services”.

(d) **Representation.** The Offeror represents that—

   (1) It □ will, □ will not provide covered telecommunications equipment or services to the
Government in the performance of any contract, subcontract or other contractual instrument resulting from this solicitation. The Offeror shall provide the additional disclosure information required at paragraph (e)(1) of this section if the Offeror responds “will” in paragraph (d)(1) of this section; and

(2) After conducting a reasonable inquiry, for purposes of this representation, the Offeror represents that—

It □ does, □ does not use covered telecommunications equipment or services, or use any equipment, system, or service that uses covered telecommunications equipment or services. The Offeror shall provide the additional disclosure information required at paragraph (e)(2) of this section if the Offeror responds “does” in paragraph (d)(2) of this section.

(e) Disclosures.

(1) Disclosure for the representation in paragraph (d)(1) of this provision. If the Offeror has responded “will” in the representation in paragraph (d)(1) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the original equipment manufacturer (OEM) or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the Product Service Code (PSC) of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.
(2) Disclosure for the representation in paragraph (d)(2) of this provision. If the Offeror has responded “does” in the representation in paragraph (d)(2) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and
